MESSAGE:

Greetings:

I am writing to inform you that I wholeheartedly support the **Judicial Transparency and Ethics Enhancement Act of 2006**. Your best efforts to insure passage of this critical legislation would be greatly appreciated. Feel free to contact me if I may be of assistance. My contact information is provided above.

Also, when you can, please visit [www.focus-on-indiana.org](http://www.focus-on-indiana.org) The website is part of a long term, national campaign to encourage various government agencies and officials to explore the prospect of serious, avoidable health risks for children being concealed through serial, judicial acquiescence or misconduct. You should be hearing more about the effort soon.

Thank you for your consideration.
